

ABC pipe wrench X-GRIP

Steel handles, painted red

VBW ●

Application:

For flexible gripping of pipes, screws or other workpieces.

Execution:

- Chrome-vanadium steel, fully forged, high-quality tempering
- Teeth inductively hardened
- Polished jaw
- Painted red

Advantage:

- Secure gripping using the special X-Grip-shaped jaws, type A, B and C, angled 45° in pliers
- Self-clamping on the workpiece for energy-saving working processes
- Nuts cannot be lost
- Safety pinching guard to prevent crushing injuries

Art. no.	53436 125
Brand	VBW
Manufacturer Part Number	87115115
Size in inches	1.5
Length	425 mm
Max. clamping width	75 mm
Material of handle	Steel
DIN	5234
Gross Weight	1.737 kg
Product Group	544

EAN
