Product Change Notice (PCN)

May 3rd, 2021

LFPCN0010521SIC Product Change Notification for Littelfuse Silicon Carbide Diode

Changes: Marking / Material

To whom it may concern,

Littelfuse would like to notify you a change in marking and material concerning the SiC Schottky diodes LSIC2SD065A08A.

The parts employing the new material are identical in the function with the previous version, while providing enhanced reliability. A qualification report is available on request.

There is no last time buy possibility for the older version.
The new version is already orderable.

Summary of changes:

	Affected Part Number	Replacement
Part designation	LSIC2SD065A08A	LSIC2SD065A08A
Marking	LSIC2SD065A08	LSIC2SD065A08A
EMC change	E500HA	G700HF
Polyimide change	3400	4104

Check datasheet for details

Please contact your Regional Sales representative or Field Application Engineer for any inquiry.

Best Regards,
