

Inserting D4 Safety Socket

multicompPRO

**RoHS
Compliant**

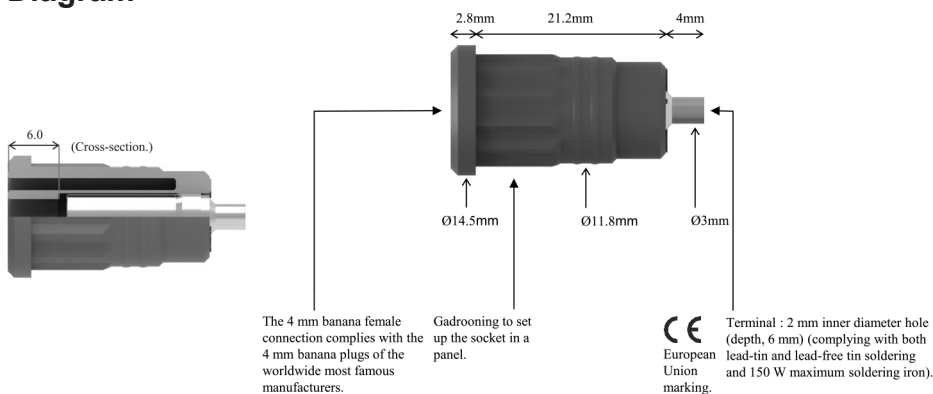

Description

These products are 4mm female banana jack (socket) w/2mm solder hole. It is ideal for panel mounting, push-in assembly. The design of the socket front face meets the requirements of EN / IEC 61010-031:2008 and the socket design is compatible with EN / IEC 61010-1:2010 for reinforced insulation at 1000V CAT II / 1000V CAT III / 600V CAT IV and 25A (at 40°C). It is used to quickly repair or make panels or boxes providing safety 4mm banana connections for power supplies, measurements, controls and tests.

Specifications

Current Rating : 25A
Contact Plating : Nickel Plated Contacts
Operating Temperature : -20°C to +80°C
Contact Material : Brass
