Other attachments:

[Customer Drawing C-282109](#)[Product Specification 108-20090](#)[Application Specification 114-20045](#)

Reason for Changes:

Product improvement. As a result of our continuous strive for improving our delivery and meet our US customer s capacity needs, we hereby inform you that TE US will introduce a second source for TE part number 282109-1. The address of the second source is TE Connectivity, Rua ampere 304 Braganca Paulista, Sao Paulo 12929-570 Brazil, DUNS 908754679. Product meets all dimensions defined on TE customer drawing C-282109, performance criteria specified in TE Product Specification 108-20090 and TE Application Specification 114-20045. There is no change to fit, form or function of the product. There is no change to customer fixture or application tooling. PPAP package will be sent for your review and approval prior to delivery of any product. Contact your local TE sales representative for support.
