## Product Change Notice (PCN)

(11/29/2022)

### Product Change Notification for Littelfuse Magnetic Actuators

To whom it may concern,

Littelfuse would like to notify you of a change related to our magnetic actuators.

- The marking on the products will change from “HAMLIN” to “LITTELFUSE”, due to the acquisition of Hamlin by Littelfuse.
- There will be no change of fit, function, quality & reliability, this is a marking change only.
- The changes will affect products with a date code from week 47/2022.
- Since this is a running change, and there is still some inventory with the previous marking, the following might occur:
  - Mix of HAMLIN / LITTELFUSE marking within one box
  - Mix of HAMLIN / LITTELFUSE marking within one carton
  - Mix of HAMLIN / LITTELFUSE marking within one shipment

Please note this change impacts the attached list of products only.
