HIFIBERRY UNIVERSAL CASE, PI 3

COMPATIBLE WITH: RASPBERRY PI & AMP+

EAN/GTIN: 4260439550347

This plastic case for the Raspberry Pi can be used with the HiFiBerry DAC+ (RCA version), Digi+ and Amp+.

DESCRIPTION

This case fits the Raspberry Pi B+/2/3 with the HiFiBerry DAC+ (RCA versions), Digi+ or Amp+. It is very simply to mount without additional tools. Just plug plug the HiFiBerry card onto your Raspberry Pi and snap it into the case.

Note that the new version of this case doesn't have an SD card slot anymore! You need to remove the Pi to exchange the SD card.
