# Accessories for containers and carrying cases

Useful accessories, practical additions for customising your BLACKLINE® carrying case.

*Case with reinforced lid and lock to protect your valuable products from unauthorised access. Various sizes to order.*

*Profiled foam insert for wez lid sizes 600 x 400 and 400 x 300 mm. Standard quality available from stock: pink ESD. Ask about other materials and sizes.*
*Pre-perforated antistatic pink foam blocks for customised shaping to your requirements. Max thickness 85 mm. Two sizes for either 600 x 400 and 400 x 300 mm containers.*

*Foam inserts in various sizes and materials. Standard sizes to fit 600 x 400 and 400 x 300 mm containers. Standard material is PUR conductive foam, 6 and 15 mm thick. Other sizes and materials on request.*

*Lid seal to prevent unauthorised opening of swing latches. Ensures 100% product protection.*

*Case handle 95 for mounting on BLACKLINE® containers. Simply drill 2 10 mm holes, as shown in the instructions, fit mountings from the inside and clip in handle 95–and it's finished!*

*100 mm*
