

Trackball with Scroll Ring

Overview

All-day comfort and scrolling come together in the Kensington Orbit (TM) Trackball with Scroll Ring. The scroll ring allows you to fly through web pages and documents. And all while delivering comfort and space savings no mouse can match.

Features

- All-day comfort from a world leader in trackball innovation
- Ambidextrous design for left or right handed users
- Click-free scrolling
- Optical technology for precise tracking - no cleaning required
- Scroll ring allows fast, easy scrolling of web pages and documents
- Uses far less desk space than a mouse
