TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Packaging Material Localization

Description of Changes

This Product Change Notification (PCN) is to inform you about the localization of the packaging materials, including thermoformed trays, bags, and carton boxes. This change aims to reduce our carbon footprint and eliminate the need for long-distance shipping of packaging materials. Packaging quantity and minimum order quantity (MOQ) will stay the same. In first shipments after change introduction a mixed shipment might occur. Box labeling will contain correct information.
