

Modular frame trolley

For single-sided storage of tool holders, no. 50655 020-130

Application:

For secure transport and retrieval of CNC tools.

Execution:

- Four hook-in rails are welded to the frame with spacing of 125 mm to accommodate tool holders
- Mesh wall to accommodate additional oversized tools on the rear side
- Large rubber-tyred fixed and guide rollers, 2 of each
- Ident. no. 010: a total of 8 tool holders can be accommodated in the trolley
- Ident. no. 020: a total of 16 tool holders can be accommodated in the trolley
- Trolley without fittings or tool holders
- Various accessories for hooking at the back in the mesh wall
- Accessories: No. 50655 020-130 tool holder with plastic inserts for accommodating tools

Advantage:

- Good stability thanks to double brake on guide roller

Delivery:

Other paint colours available upon request.

Art. no.	50656 010
Brand	HK
Manufacturer Part Number	50656010
Depth	700 mm
Width	480 mm
Height	1140 mm
Gross Weight	40.000 kg
Product Group	507
