

Ultra-grip ratchet fork box wrench

With two-sided clamping function

Execution:

- Non-slip fork. Does not slip over the nuts, provides optimum safety.
- Ring end with spring clamping ring – the nut is securely held in the ring
- Ring head with reversible ratchet mechanism, finely serrated (72 teeth) and return angle 5° (7.5° for 6 mm, 6° for 7, 8 and 9 mm).
- Inclination of ring and fork: 15°.

Art. no.	52050 119
Brand	FACOM
Manufacturer Part Number	467B.19
Width across flats	19 mm
Length	247 mm
Surface	Chrome plated
Material	Chrome-vanadium steel
Gross Weight	0.216 kg
Product Group	5JD

EAN

3662424064739
