Reason for Change:

Dear customer,

We herewith inform you that, due to RECOM's commitment to minimize its footprint on the environment we will reduce the size of the reels for these product series as below.
The packaging quantity will remain the same.

Usually a Product Change Notification (PCN) is issued only when the product concerned has a change in the specifications. In this particular case it is issued for information only, there are no changes on the product specifications or process, except for the shipping packaging!
