

ESD precision electronics angle cutting pliers

Polished steel surface

ATORN®

Version

- angle cutting pliers ideal for horizontal and vertical application
- Glossy polished steel surface: proven and reliable finish.
- no risk to circuitry or components due to flaking off of chrome
- ESD-compatible 2-component handles with wide and non-slip contact surface
- inductively hardened blades facilitate easy and sharp cutting with maximum service life
- double leaf springs inserted and wear-resistant guarantee uniform action
- Box joint design for optimal maintenance-free guidance of jaws – silky-smooth action and long service life, overlapping of blades avoided.

Art. No.	53028 080
Length	120 mm
Max. soft wire diameter cutting capacity	1.2
Head design	Straight, With small grind
Surface	Plain
Material of the grip handle	2-component plastic
ESD-capable	Yes
