Description and purpose of change:
 Due to an improvement of the production capability, Würth Elektronik has automated the enamel removal process of pins for the sizes 1090 & 1510
 All products with date code 2022-12-16 or later, will be affected by this change.
 There will be no change in form, fit, function, quality or reliability of the product.

Detail of Change:
 There is no change in fit, form, function, reliability or specification in the product

Reliability / Qualification Summary:

In order to ensure product reliability and conformity products has been tested to the following quality assurance test and verifications:

Resistance to solder heat
 Visual inspection
 Soldering test

Cpk analysis of mechanical dimensions of pin after process
