

Soft-face hammer SIMPLEX, nylon impact inserts

With Robinia wood handle, malleable iron clamping housing and replaceable impact inserts

HALDER

Application:

For assembling sharp-edged workpieces. For very high impact force.

Execution:

- With nylon inserts on both sides (white, hard, highly wear-resistant, no splintering even at sub-zero temperatures, resistant to oil and grease).
- Housing made of malleable iron with integrated protective shaft sheath and high breakage resistance
- High-quality, vibration-damping, ergonomically shaped wooden handle; double-painted grip area

Advantage:

- All individual parts can be replaced and retrofitted, therefore very economical

Art. no.	51227 060
Brand	HALDER
Manufacturer Part Number	3008.060
Head diameter	60 mm
Length of head	145 mm
Length	405 mm
Material of long handle	Robinia
Handle fastening	Bolted
Weight	1.44 kg
Gross Weight	1.547 kg
Product Group	521
