

Impact screwdriver TW0350J

400 watt

Application:

for driving in and extracting screws and nuts with high torque.

Advantage:

- Carbon brush can be replaced from the outside

Delivery:

Size 24 socket wrench insert, O-ring, locking pin, in size 2 MAKPAC

Art. no.	71031 090
Brand	MAKITA
Manufacturer Part Number	TW0350J
Manufacturer Article Number	TW0350J
Power input	400 W
Suitable for screw	M12 - M20
Max. torque for hard screwing application	350 Nm
Max. idle speed	2000 rpm
Max. impact rate	2000 rpm
Tool holding device	1/2-inch external square
Weight	3 kg
Gross Weight	6.010 kg
Product Group	715
