

Official Case for Raspberry Pi 3 Model B

DESCRIPTION

The official Raspberry Pi 3 Model B protection case is an easy snap-fit, customizable case that provides flexibility for your application in a sleek, polished enclosure. It is available in either black/grey (TZT 241 AAB-01) or red/white (TZT 241 AAA-01) color combinations.

BLACK/GREY PART NUMBER: TZT 241 AAB-01

RED/WHITE PART NUMBER: TZT 241 AAA-01

FEATURES

- Simple and easy snap-fit assembly.
- Variety of case access/display options allow you to snap in sides or tops according to your Pi application.
- 2 lid options – one with a cut-out in the center for flexibility of adding a hat or running cables, or a closed-lid for a sleek, polished finish.
- All connection ports and MicroSD card have cut-outs.
- Plastic LED light protector.
- Adhesive rubber stability feet.

TECHNICAL DETAILS

- 97mm x 70mm x 25mm
- 3.8" x 2.8" x 1.0"

Note 1: These two part numbers provide the CASE ONLY. They do not come with a Raspberry Pi or components.

Note 2: Although designed for the Raspberry Pi 3 Model B, the case will also protect your Pi B+ or Pi 2 if you can accept blocking the LED light pipes.
