

hard foam insert equipped with tools, combination spanner set

width x depth 260 x 345 mm

ATORN

Application

For the flexible fitting of drawers of ATORN tool trolley no. 50278 560-595

Version

- two-tone foam inserts made of polyethylene (PE) equipped with tool assortments
- resistant against most oils and chemicals due to closed cells
- The PE foam is lightweight, resistant, durable, odour-neutral and even food safe
- one tool insert fills half of the useful area of a drawer with internal dimensions 527 x 348 mm
- two tool inserts fill the entire useful area of a drawer with internal dimensions 527 x 348 mm

Advantage

- Clearly arranged, organised and protected storage of tools in the drawers
- Accurately fitting cut-outs in contrasting blue make it easy to spot when tools are missing and help to prevent loss of tools
- Expensive tools can be stored securely and safely in the insert
