

Stud bolt inserter and extractor with knurling wheel

With hexagonal actuation, for bolts from 6 to 25 mm

Execution:

- Wrench width for actuation, 19 mm

Advantage:

- For right-hand or left-hand thread
- Even extremely short stud bolt ends can be unscrewed thanks to the deep arrangement of the knurling wheel

Art. no.	55019 020
Brand	GEDORE
Manufacturer Part Number	8010700
Min./max. clamping width	8-19 mm
Max. clamping width	19 mm
Gross Weight	0.300 kg
Product Group	5JB
