

# Quick Heat-up Soldering Gun Set

RoHS  
Compliant

## Features

- With a fingertip trigger.
- Easy for soldering with the light bulb at the head of the gun.

## Specifications

Voltage : AC 110-130V 60Hz  
AC 220-240V 50Hz  
Power : 100W  
150W

## Operation

- Before using the gun, make sure the voltage matches with the product's specifications.
- Prior to operation, clean any dirt, rust or paint from the area to be soldered.
- Choose the suitable tip for the material you plan to solder.
- Plug it in and turn on the switch.
- After operation, unplug it and put the gun in a safe place out of children's reach.

## Attention!

To avoid overheat, please always press the trigger to turn it on for 12S, then release the trigger to turn it off for 48s.

## Warning

- The appliance is not a toy, and must be kept out of children's hands.
- Before cleaning the appliance, always unplug it.
- Unscrewing the housing is not permitted.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
