**Date:** Nov 1, 2019

**Subject:** Product Change Notification for TDK's End of Life Ceramic Capacitors

**Dear Distributor Partner,**

Thank you for your business and continued interest in TDK's ceramic capacitors. This letter is to inform you there has been a production status change for the following attached list of ceramic capacitors. The products included in this document have been revised to End of Life "EOL". In most cases EOL addresses the natural decline in market sales/profitability, but may identify a consolidation of the product portfolio as well.

End of Life and Last Time Buy Dates have been established and communicated below. Unfortunately, there are no available alternatives at this time; however, TDK is committed to working closely with you to minimize any impact this change may have.
