Customer: TTI, Inc. (1305175)

Location: Maisach-gernlinden

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

070 ECONOSEAL MARK-2+ PLUG 10P (2822395-1)

Description of Changes

Manufacturing location change. Following Part Number Component Tools will be transferred from TE Connectivity Manufacturing Thailand to Outside Vendor in Thailand.

Reason for Changes:

Dear Customer, this is a notice about a tooling transfer from TE Connectivity MFG Thailand to TE externally approved suppliers in Thailand for capacity expansion purpose. The transfer will be executed via a strict transfer procedure to assure no negative influence on quality, delivery and form-fit-function of the concerned products. The new manufacturing sites are under a certified quality system according to industry standards and an internal release based on TE specifications will be executed before any parts are delivered. This is a component manufacturing location change only - there will be no change in the final product manufacturing or shipping location. These PNs are TE proprietary designs and considered catalog/general market products. A Level 4 PPAP and/or sample requests will be submitted within 14 days of PCN submission which will not occur without request. PPAP disposition response is required within 14 days of submission date or it will be considered approved.
