

SmartCheck USB test devices for torque wrenches

calibration certificate

Execution:

- Easy-to-understand operation and user interface ensure fast, reliable results and a high level of safety.
- Splash-proof display and membrane keyboard.
- Includes SmartCheck USB software for transferring values and issuing test certificates
- can be placed almost anywhere - horizontal or vertical mounting possible.
- turning and swivelling display for perfect readability in any position
- display deviation of maximum +/- 1% guarantees highly reliable measurement data
- provides three operating modes (track, first peak, peak hold) and three units (N-m, ft-lb, in-ft).
- Operation either via power pack or battery
- Ref. no. 002 specially for the calibration of torque screwdrivers

Delivery:

in robust transport box

Art. no.	52995 101
Brand	STAHLWILLE
Manufacturer Part Number	96521208
Min. torque	10 Nm
Max. torque	100 Nm
Drive	3/8 inch
Min./max. torque	10-100 Nm
Error limit (%)	1 %
Calibration certificate	Yes
Gross Weight	5.310 kg
Product Group	586

EAN

4018754324866
