

Waterproof sandpaper PS 11

Sheet size 230 x 280 mm

Application:

For machining of paint, lacquer, spreader and filler, mainly used in automotive repair and painting applications.

Advantage:

- High sanding rate and service life
- High-quality and very flexible

Art. no.	69261 500
Brand	KLINGSPOR
Manufacturer Part Number	2008
Sheet length	280 mm
Sheet width	230 mm
Material of abrasive medium	Silicon carbide
Backing material	Latex paper
Grid size	500
Scattering	Close scattering
Number of pieces per packet	50 PCS
Binding	Synthetic resin
Colour	Black
Gross Weight	0.014 kg
Product Group	6DB

EAN

4014855018710
