

Solid carbide drive arbors

with screw-in thread

Application:

for mounting screw-on die-sinking cutters

Execution:

- solid carbide
- With straight shank HA (tolerance h6)
- Morse taper shanks on request

Art. no.	16150 100
Brand	KIENINGER
Manufacturer Part Number	6129286
Thread dimension	M6
Clearance length	38 mm
Clearance diameter	9.7 mm
Length	110 mm
Shank diameter	10 mm
Gross Weight	0.116 kg
Product Group	155
