

Set of crocodile clips

Application:

Use the crocodile clips to clamp the line when measuring electrical parameters. Simply insert the measuring leads into the crocodile clip, leaving your hands free for other activities during measurement. For Testo standard measuring lead with article number 75024478 and measuring leads from other brands with 2-mm connectors.

Execution:

- Length: 75 mm
- Diameter: 21 mm
- Overvoltage protection category: CAT IV 600V/CAT III 1000V
- Maximum current: 10A

Art. no.	75024 476
Brand	TESTO
Manufacturer Part Number	0590 0009
Gross Weight	0.039 kg
Product Group	4CF

EAN
