FUJITSU Mobile Bluetooth Communication Speaker Accessories Multimedia

Audio to go

The Fujitsu Mobile Bluetooth Communication Speaker is the perfect audio accessory for your connected mobile life. It is smaller than a tennis ball so you can bring it everywhere and it can connect via Bluetooth so you don't have to worry about cords. An integrated microphone gives you on-the-fly conference call capabilities for all your Bluetooth enabled mobile devices.

Multiple connectivity options

- Effortless discovery and connection to all your mobile devices with Bluetooth wireless technology
- Combination charging and audio cable (included) enables wired connection to audio equipment while simultaneously recharging the speaker battery

Design

- Sleek red and black styling
- Expanding accordion speaker design for better sound and portability

Communication

- Dual purpose toggle switch for taking/ending calls and controlling music
- Integrated microphone for conference calls

Portability

- Featherweight yet durable design
- Small enough to take anywhere for on-the-go audio

Mobile Bluetooth Communication Speaker
