<b>Description and purpose of change:</b> Due to an improvement of the production capability, Würth Elektronik has upgraded the design for this component. All products with date code 2022-10-31 or later, will be affected by this change. There will be no change in fit, function or reliability of the product.	

**Please note that the shielding is 0.10mm longer than previously.**

**Reliability / Qualification Summary:**

Product approval is according to the specification criteria and is internally released by the Product Management Department.

**The following items are part of the internal release process:**

- Visual Appearance (Surface, Burr, Contaminations, ...)
- Mechanical Parameters (as specified in the Datasheet)

- Electrical Parameters (as specified in the Datasheet)
- Approval of production line
