

RECLAIM acoustic room divider for privacy and sound insulation

One part, 1680 x 610 x 30 mm

LUXOR
PROVIDING KNOWLEDGE PRODUCT SOLUTIONS

Application:

The RECLAIM room dividers for privacy and sound insulation have been developed to divide larger rooms into quieter, more functional areas.

Execution:

- Partition wall cover: 100 % PET; core material: 60 % PET
- The pinboard cover is also perfectly suited as a presentation surface
- With the integrated zip fasteners, the elements can be joined together,
- To create tailor-made workplaces in a variety of different shapes and styles

Advantage:

- Simple and cost-effective option to minimise distractions in modern open-plan offices
- Fast assembly is possible without any tools
- Ambient noise is absorbed up to 85 % (NRC 0.85)
- Environmentally friendly - made from recycled materials
- Versatile - create private meeting areas without much effort

Art. no.	50311 079
Brand	LUXOR
Manufacturer Part Number	RCLM-RDS-SG
Width	610 mm
Depth	30 mm
Height	1680 mm
Colour	Light grey
Gross Weight	7.000 kg
Product Group	5AR

EAN

4260563729800
