

Rough grinding disc for aluminium/non-ferrous metals

Type RS24

RHODIUS

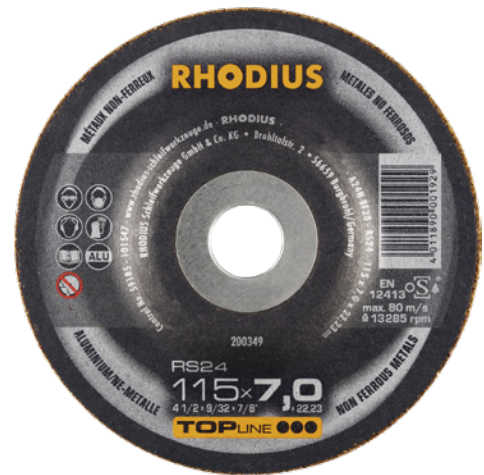

Application:

For deburring, chamfering and pre/post-machining of welding seams.

Execution:

- Special filler materials to prevent clogging of the disc
- High cutting performance
- Minimal heat generation

Art. no.	76102 100
Brand	RHODIUS
Manufacturer Part Number	200349
Removal performance (points system)	●●●●
Service life (points system)	●●●●
Washer diameter	115 mm
Washer thickness	7 mm
Bore diameter	22.23 mm
Max. rotation speed	13300 rpm
Design	Medium hard
Form	Cranked
Free from iron and sulphur	No
Number of pieces per packet	25
Gross Weight	0.180 kg
Product Group	6BB

EAN

4011890001929
