

Temperature measuring instrument with universal sensor

ORION[®]

Application:

For simple temperature measurements in industrial applications

Version:

- Watertight
- HOLD function
- Auto-off
- Switch between °C/°F
- Error limit $\pm 1\% \pm 1^\circ\text{C}$

Art. no.	46105 200
Min./max. temperature measuring range	-64 to 1370 °C
Digit increment (measuring instrument for temperature)	0.1 °C
Length x width x height	78 x 43 x 20 mm

EAN-Code

4053625205646
