

TorqueFix-Key torque screwdriver

Application:

For controlled bolting at a specified torque and in confined spaces.

Execution:

- Fixed preset torque
- Automatic release
- Compatible with all torque interchangeable blades
- Opening torque approx. 30% higher than tightening torque

Advantage:

- Extremely handy and ergonomic wrench handle thanks to compact design
- Specially developed for hard-to-reach screws and for confined areas
- Clearly audible and perceptible click signal ensures reliable process

Delivery:

In practical plastic box, incl. plant test certificate

Art. no.	52221 020
Brand	WIHA
Manufacturer Part Number	38557
Max. torque measuring range	2 Nm
Material of handle	1-component plastic
Error limit (%)	6 %
Calibration certificate	Yes
Gross Weight	0.150 kg
Product Group	537

EAN

4010995385576
