

## ANTISTATIC FLOOR ADHESIVE TAPE

42-005-0005

### Product Specifications

Base:	Coloured rigid PVC film
Adhesive:	Natural rubber
Thickness:	0.057 mm (± 10%)
Colour:	yellow
Core diameter:	76 mm
Size:	50 mm x 66 m per roll

### Features

- High tensile strength and adhesion strength
- Excellent adhesion to various surfaces
- Moisture resistant
- Resistant to diluted acids and alkalies
- Heat resistant for short exposure up to about + 70° C
- Low temperature resistant down to about - 20° C after application at room temperature
- Suitable for printing
