

LC utility knife 18 mm, with eye

With 3 Endura blades, Auto Lock, yellow colour

TAJIMA

Application:

Very well suited for universal use

Execution:

- LC cutter 18 mm with three ENDURA blades, blade magazine and AUTO LOCK, handle with eye, yellow
- Blades made of SK-120 premium steel. Optimised blade geometry and improved cutting angle for long-lasting sharpness.
- Sharp blade – the combination of premium steel, Japanese heat-treating technology and multi-stage sharpening process results in exceptional cutting quality
- The Auto Lock system securely fixes the blade, enables powerful working and comfortable, quick adjustment of the blade length

Art. no.	53654 110
Brand	TAJIMA
Manufacturer Part Number	LC520YB
Length	161 mm
Blade width	18 mm
Gross Weight	0.081 kg
Product Group	5KN
