**Customer Part Number: KB817** 

### Kingbright

**PHOTOCOUPLER** 

GENERAL PURPOSE
HIGH ISOLATION VOLTAGE
SINGLE TRANSISTOR TYPE
PHOTOCOUPLER SERIES

#### **FEATURES**

- 1. High isolation voltage between input and output (Viso=5000 Vrms).
- 2.Compact dual-in-line package

KB817:1-channel type

- 3. Recognized by UL and CUL, file NO.E225308.
- 4. Approved by VDE 0884 Teil2(NO:40006364)

(Creepage distance between input and output:7mm or more).

5.RoHS compliant.

#### DESCRIPTION

- 1.The KB817 (1-channel) is optically coupled isolators containing a GaAS light emitting diode and an NPN silicon phototransistor.
- 2. The lead pitch is 2.54mm.
- 3. Solid insulation thickness between emitting diode and output phototransistor:>=0.6mm.

#### **APPLICATIONS**

- 1.Computer terminals.
- 2.Registers,copiers,automatic vending machines.
- 3. System appliances, measuring instruments.
- 4. Programmable logic controller.
- 5. Signal transmission between circuits of different potentials and impedances.

#### \*NOTES ON HANDLING

#### 1.Recommended soldering conditions (Dip soldering)

#### (1) Dip soldering

Temperature 260 °C or below (molten solder temperature)

Time Less than 10 seconds.

Cycle One cycle allowed to be dipped in solder including plastic mold portion.

Flux Rosin flux containing small amount of chorine

(The flux with a maximum chlorine content of 0.2 Wt % is recommended.)

#### (2) Cautions

Fluxes

Avoid removing the residual flux with freon-based and chlorine-based cleaning solvent.

#### 2. Cautions regarding noise

Be aware that power is suddenly into the componment any surge current may cause damage happen, even if the voltage is within the absolute maximum ratings.

#### **CAUTION**

Within this device there exists GaAs (Gallium Arsenide) material which is a harmful substance if ingested.

GaAs dust and fumes are toxic. Do not break, cut or pulverize the product, or use chemicals to dissolve them.

#### RESTRICTIONS ON PRODUCT USE

- The information in this document is subject to change without notice. Before using this document, please confirm that this is the latest version. Not all devices / types available in every country.
- We are mention about our product quality stablity, semiconductor devices in general can malfunction or fail due to their inherent electrical sensitivity and vulnerability to physical stress. It is the responsibility of the buyer, when utilizing KINGBRIGHT products, to observe standards of safety, and to a avoid situations in which a malfunction or failure of a KINGBRIGHT product could cause loss of human life, bodily injury or damage to property. In developing your designs, please ensure that KINGBRIGHT products are used within specified operating ranges as set forth in the most recent products specifications.

#### Terms and conditions for the usage of this document

- 1. The information included in this document reflects representative usage scenarios and is intended for technical reference only.
- 2. The part number, type, and specifications mentioned in this document are subject to future change and improvement without notice. Before production usage customer should refer to the latest datasheet for the updated specifications.
- 3. When using the products referenced in this document, please make sure the product is being operated within the environmental and electrical limits specified in the datasheet. If customer usage exceeds the specified limits, Kingbright will not be responsible for any subsequent issues.
- 4. The information in this document applies to typical usage in consumer electronics applications. If customer's application has special reliability requirements or have life-threatening liabilities, such as automotive or medical usage, please consult with Kingbright representative for further assistance.
- 5. The contents and information of this document may not be reproduced or re-transmitted without permission by Kingbright.
- 6. All design applications should refer to Kingbright application notes available at <a href="http://www.kingbright.com/application\_notes">http://www.kingbright.com/application\_notes</a>
