Plywood Case for LattePanda V1

SKU:FIT0475

INTRODUCTION

This plywood case is a solid enclosure for your LattePanda V1 Windows 10 SBC **(not compatible with LattePanda Alpha & Delta)**. The case protects the board from ESD damage while letting you see status LEDs and providing access to USB, HDMI, SD card, GPIO and antenna. Printed assembly instructions are provided and case assembly can be completed within an hour.

What is LattePanda?

LattePanda is a complete Windows 10 computer on a single board!

It includes everything a regular PC has and can do anything that a regular PC does. It is compatible with almost every gadget you know: printers, joysticks, cameras and more. Any peripherals that work on your PC will work on LattePanda.

LattePanda comes pre-installed with a pre-activated full edition of Windows 10, including powerful tools such as Visual Studio, NodeJS, Java, Processing, and more. Using existing APIs, you can develop your own software and hardware projects on LattePanda as you would on a normal PC - C#, Javascript, Ruby and so on. Say goodbye to your bulky laptop!

Please note [LattePanda](#) is sold separately.
