

Thickness measuring device

Form A and B

Application:

For measuring the thickness of rubber blankets, rubber sheets, felt and soft materials.

Execution:

- Robust throat
- Precision measuring element
- Replaceable gauge slides

Art. no.	33206 010
Calibration Group	CF
Min./max. length measuring range	0-10 mm
Scale value	0.01 mm
Bracket depth	50 mm
Measuring surface diameter	20 mm
Display	Analogue
Gross Weight	0.390 kg
Product Group	331

EAN

4031452200126
