

Slotted panel cabinet with doors with viewing window

With easy-view storage bins made of polyethylene

RasterPlan

Application:

For clearly-arranged storage of small parts in RASTERPLAN easy-view storage bins. The slots in the rear wall mean that easy-view storage bins can be hung directly on hanging strips.

Execution:

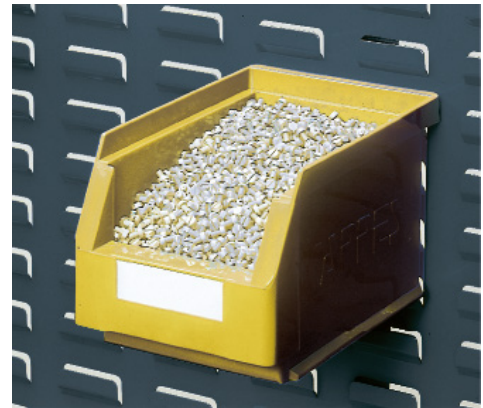

- Stable steel structure with reinforced doors
- Smooth fronts due to flush overlay doors, opening angle more than 200°, full-length rod guidance
- Rear wall with RASTERPLAN slots
- RASTERPLAN easy-view storage bins made of impact-proof and shock-proof polyethylene, assorted colours
- Triple-point security cylinder lock, incl. 2 keys
- For accessories such as labels for easy-view storage bins see from no. 50638 850 in the Workstation chapter under easy-view storage bins

Advantage:

- Absolutely horizontal hanging and removing of filled easy-view storage bins on the slotted panel to avoid spilling stored products.

Delivery:

Without labels

Art. no.	50640 068
Brand	RASTERPLAN
Manufacturer Part Number	1353.03.5024
Model	53
Door design	Inspection glass
Height	1950 mm
Width	1000 mm
