

Delay module for U-actuator, 120 VAC

Part no. IZMX-UVR-TD-120AC-1
Article no. 184165
Catalog No. 70C1316G01

Delivery programme

Product range			Accessories
Accessories			Remote switching
Accessories			Undervoltage release
			Delay module for undervoltage release
Rated control voltage	U _s	V	110 - 127 V AC 50/60 Hz 110 - 125 V DC
For use with			IZMX16..., IZMX40... INX16..., INX40...
Notes			
Can be continuously ON (100% DF)			

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70
