

vernier caliper set

Includes Software and depth gauge stop

Execution:

- USB receiver
- USB extension cable
- starter kit, additionally includes Bluetooth radio transmitter

Art. no.	31172 990
Brand	TESA
Manufacturer Part Number	00530068
Min./max. length measuring range	0-150 mm
Data transmission type	TLC
Digit increment	0.01 mm
Digit increment in inches	0.0005 in
Depth gauge rod	Round
Depth gauge rod thickness	1.5 mm
Length of cross tips	16 mm
Length of jaw	40 mm
Type of locating	With locking screw
Calibration Group	A
Number of rechargeable batteries/batteries	1 PCS
Display	Digital
Battery designation	3V CR2032 Lithium
ISO	13385-2
Composition of set	31172110 + 31180010 + 39852280
With drive wheel	Yes
With ABS function	Yes
With mm / inch switching	Yes
Gross Weight	0.737 kg
Product Group	366

EAN
