

Drawer

Application:

Storage with drawers: Storage of small parts in drawers not only has the advantage of being optimally protected against dust and contamination compared to shelf storage, but also saves space and provides more clarity. A handle allows you to see the contents of the entire drawer, while on a shelf you may have to slide objects aside or over them.

Execution:

- Full scale: maximum horizontal space utilisation, full overview, optimum access
- Drawer protection standard: Standard version including single drawer lock

Art. no.	50302 233
Brand	LISTA
Manufacturer Part Number	72.083.010
Casing height	76 mm
Effective height	107.5 mm
Colour	Light blue RAL 5012
Drawer width (inner dimension) x drawer depth (inner dimension)	900 x 450 mm
Drawer front height	125 mm
Drawer lock	Standard
Load-carrying capacity per drawer	200 kg
Gross Weight	25.000 kg
Product Group	5AN
