

Photo	Part number	Description	Target application	MI 3155	MI 3152	MI 3152H	MI 3102 BT	MI 3102H BT	MI 3100 SE	MI 3125 BT	MI 3108	MI 3109	MI 3121	MI 3122	MI 3123	MI 3110	MI 2088	MI 2093	A 1143	
	S 2012	Continuity test lead, 10 m, 2 pcs (red, black)	2 pieces of extension test lead for continuity measurements.	•	•	•	•	•	•	•			•		•		•	•		
	S 2025	Test lead, 1.5 m, 2 pcs (black, red)	Connection leads for different measurements.	•	•	•	•	•	•	•			•		•		•	•		
	A 1013	Crocodile clip, black	Crocodile clip assures secure and permanent contact during the measurement on bus bars, fixing screws, etc.	•	•	•	•	•	•	•			•	•			•	•		
	A 1064	Crocodile clip, red		•								•	•	•						
	A 1309	Crocodile clip, green		•	•	•	•	•	•	•	•				•					
	A 1310	Crocodile clip, blue		•	•	•	•	•	•	•	•				•					
	A 1014	Test probe, black	Test probe with fi 4 mm connection is suitable for performing measurements both in mains outlets and in situations when no schuko outlet is present.	•	•	•	•	•	•	•			•	•				•	•	
	A 1015	Test probe, blue		•	•	•	•	•	•	•	•			•	•					
	A 1016	Test probe, red		•								•	•	•					•	
	A 1062	Test probe, green		•	•	•	•	•	•	•	•	•	•	•	•					
	A 1198	Magnetic contact probe	Test probe with magnetic contact provides reliable contact with metal surface during the measurement.	•	•	•	•	•	•	•	•	•	•	•				•		
	A 1201	Insulated rod for CONTINUITY measurement	Insulated rod enables insulation resistance and continuity measurement on hard-to-reach objects, e.g. luminaries.	•	•	•	•	•	•	•	•	•	•					•		
	A 1202	Additional extension part for A 1201	Additional extension part for Insulated rod for CONTINUITY measurement A 1201.	•	•	•	•	•	•	•	•	•	•	•					•	
	A 1551	Small carrying bag with Metrel logo	Small carrying bag for transport and storage of test instrument and all belonging standard set and euro set accessories.	•																
	A 1552	Large carrying bag with Metrel logo	Large carrying bag for transport and storage of test instrument and all belonging standard set and euro set accessories.	•																
	A 1006	Soft carrying bag	Large soft carrying bag for transport and storage of test instrument and belonging accessories.																•	
	A 1289	Soft carrying bag		•	•	•	•	•	•	•				•	•	•	•			
	A 1020	Small soft carrying bag	Small soft carrying bag for transport and storage of test instrument or accessories.																•	
	A 1271	Small soft carrying bag									•			•	•	•				
	A 1302	Set of carrying straps	Set of carrying straps for carrying the measuring instrument around the neck allowing free hand use of the tester.	•	•	•	•	•	•		•	•								
	A 1303	Soft hand strap	Soft hand strap for holding the instrument.							•			•	•	•
