

## **Product information**

## 95 62 160

## Wire Rope Cutter

Also for high-strength wire rope

- For high-strength wire ropes up to Ø 4 mm and cables up to Ø 6 mm: noticeably light, high-precision cutting thanks to unique, patent-pending joint design
- Compact size, low weight, high performance level
- Made for intensive use: particularly durable and light at only 172 g
- For wire rope with Ø 4.00 / 1960 Nmm<sup>2</sup>
- Compact, light and powerful
- Up to 30 % less physical effort compared to wire rope cutters of the same length
- Double-mounted box joint design for high level of stability
- Cutting edges additionally induction-hardened, cutting edge hardness approx. 62 HRC
- Convenient work thanks to opening spring
- Secured by locking device during transport
- Ball bearing steel

MM

| General   |                            |
|---|----------------------------|
| Article No.   | 95 62 160                  |
| EAN   | 4003773082354              |
| Shears  | burnished                  |
| Head  | burnished                  |
| Handles   | with multi-component grips |
| Weight  | 175 g                      |
| Dimensions  | 160 x 61 x 21 mm           |
| REACH compliant   | does not contain SVHC      |
| RoHS compliant  | not applicable             |
| Technical details   |                            |
| Cutting capacity copper cable, multiple-<br>stranded (diameter) | Ø 6.0 mm                   |
| Cutting capacities wire rope (diameter)                         | Ø 4.0 mm                   |

technical change and errors excepted

Compact at 160 mm but nevertheless more powerful than many larger wire rope cutters

## KNIPEX Quality – Made in Germany
