Production Site & Factory Name Change notice
 MLCC all series

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
 This is the official notification that some of our products' Change will be proceeded as detailed below.
 Please review this, and confirm that you will expect to receive products after this Site Change.
 Your understanding and support are highly appreciated.

1. Product Type, Changes, and Customer/Murata Part Numbers:

Product Type: MLCC all series

Changes: Man Machine Material Method Other (place)

Before Change	After Change
Izumo Murata Mfg. Co., Ltd. Iwami factory (Ohda)	Izumo Murata Mfg. Co., Ltd. Iwami factory (Hane)

New Production Site is in an Hane industrial park apart 5km from current Site.

Address of Iwami factory Hane : Azanishinosako 800-4 Hane-cho, Ohda-shi, Shimane Prefecture

2. Reasons/Background:

MLCC taping process at IMC Iwami(Ohda) plant will be transferred to Iwami(Hane) plant, because of MLCC capacity expansion and deterioration of the building. And we will make a stable supply production system in case of disaster, based on BCP.

3. Products Before and After the Change:

There are no changes of the products' design, quality, guaranteed specifications, and others, because operator, production process, material and quality control system are the same as current production building.

4. Change Schedule:

Production Start in New Building : **Jun. 2023**
 Last Production Date in Current Building : **Mar. 2024**
 Products' delivery from the New Production Building will be started sequentially.

5. Contact Window:

Should you have any questions or concerns, please contact Murata Sales, Representative, or Distributor in your area, **until end of Sep. 2022.**
 If sample or electric performance data is necessary, please kindly inform us.
 We will arrange it after new production building start.

If there are no reply and inquiry from you by Sep.30,2022, we will consider you accept this change.

Truly Yours. Thank you.

Fukui Murata MFG. Co., Ltd.

Product Engineering Department Capacitor Division
