# Telephone Cable

RND connect

Features

• Perfect for LAN (local area network) connections

• Clear and precise communication

• For use in signal control systems, networks, DSL phone cable services
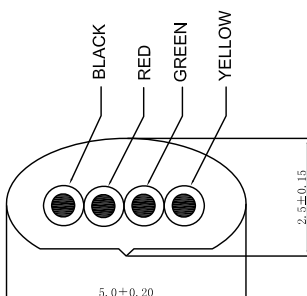

• RoHS and REACH compliant

Specification

Connection A	RJ10 4P4C Plug
Connection B	RJ10 4P4C Plug
Cable Design	Coiled
Cable Length	5 m
Conductor	Tinned Copper
Insulation Diameter	0.9 mm
Insulation Colours	Black, Green, Red, Yellow
Jacket Colour	Black
Jacket Material	PVC
Jacket Diameter	2.5 x 5 mm
Insulation Resistance	20 MOhm
Conductor Resistance	6 Ohm max.
