## Ideal choice for a strong glue bond on a wide range of materials and projects

The corded PKP 18 E hot glue gun guarantees a constantly high glue output and stable adhesive bonding for excellent results. Its electronically controlled heating element ensures a constant working temperature and quick starts. Thanks to its mechanical feed system, it provides precise control of the amount of glue applied for a rapid, targeted application. It is ideal for everyday gluing tasks such as decorating or repairing materials such as wood, cardboard, stone, and many more. It is compatible with 11-mm glue sticks and comes with an extra-long nozzle for reaching inside narrow areas.

---

Easy | **Universal** | Advanced

Focused on functionality and performance for a broader range of tasks

For medium-sized tasks

---

The PKP 18 E glue gun maintains a constant working temperature and is ready to use in no time at all.

Ideal choice for a strong glue bond

Perfect for quick repairs around the home

Solid choice for easy and fast home alterations

Ideal for quickly repairing children's toys

The perfect handy tool for fun craft projects
