

MULTICLEAN clean mat

For heavily used entrance areas

Application:

Used to cover heavily used entrance areas to keep them clean longer and to preserve floor coverings.

Execution:

- Areas of application: Entrances, hallways, lifts, receptions, laundry rooms etc.
- Top: High-twist nylon finish
- Underside: Nitrile rubber
- Dirt pick-up: 800 g/m²
- Weight: 2.40 kg/m²
- Water intake 3-4 l/m²
- Certifications: EN 13501-1 / CfI-s1, EN 14041 Anti-static, NFSI high-traction

Advantage:

- Excellent dirt pick-up performance
- Non-slip rubber backing
- PVC-free
- Light and colour fast
- Washable up to 60° (at a trusted laundrette near you)
