Overview

- Lots of Molex Products have been impacted by headwind of raw material marketing. Firstly, unstable supplying is causing foresee and unforeseen supplying disruption. If Molex does not do anything, we may face serious negative impact on Molex product, including unstable product supplying of causing bad customer satisfaction, and worse and worse cost pressure of Molex product.
- So, Molex is putting in place a plan to add 2nd source to current metal alloy C7025.

- **Product Impact**
 - "no impact to fit, form, function".

- **Part Number Impact**
 - see attached impacted parts list

- Qualification Reports and samples available upon request after the date shown above

RELEASED
