

Nokia 3210

The Nokia 3210 returns

An original returns from Y2K, modernized for today. 3, 2, 1, 0, go!

Back in 1999, the original Nokia 3210 was there with us as we partied into the new millennium. Now, that legendary phone is back with a retro redesign for a real nostalgia trip.

Long live the icon

Remember when your phone went for days without a charge? And when dropping it didn't even cause you to flinch? Today's Nokia Icon brings that back. So take it out for long weekends, to festivals, on road trips, wherever – it will go the distance with you.

Back to 1999

Retro design for a “nostalgia trip” -user experience.

Long-lasting battery

Long-lasting 1450 mAh¹ battery keeps going for days.

Cloud Apps

With Cloud Apps you have access to news, weather, videos, games, and more. Have fun and explore. You'll love it.

Snake

We know you miss the moment when you hit a new Snake high score. Priceless.
