

## 'TopCut' long-handled pincers

Alternative designation: mechanic's nippers

**VBW** ●

### Application:

For twisting and pinching wire or for pulling out nails.

### Execution:

- Special tool steel, drop-forged, oil-hardened
- Black afromentised pliers
- Polished head
- Inductively hardened blades for excellent wear resistance

### Advantage:

- Opening angle is limited for one-handed closure
- Less cutting force required thanks to optimum blade geometry
